

MEETING MINUTES - August 2010

Hi Everyone,

The board met at Ardeo's at 5:30 today. The minutes follow.

YEAH! We had 1431 hits on our website in July! Thanks to our webmaster for passing that info along to us!

Our first CCIAEA meeting will be held on Thursday, September 16th at 4 pm at the CCMA.

Please prepare to "join or reup" to join at the September meeting. Dues \$30

Check out the recent CCMA course brochure for classes and also for publicizing our website. (Thanks Christy!)

"Fall for the Arts" will be happening Cape-wide the weekend of Oct 2. It would be great to have our CCIAEA booth set up in Dennis for exposure and PR. Who can help!?

Dan will look into and contact resources (Carl Lopes and John Reed) related to the possibility of the Joan Gaither presentation. Her art bridges language and visual arts. Our hope is to work in collaboration with the Zion Heritage Museum to present these phenomenal "Story Quilts" with the possibility of showing them at the Zion H. Museum and opening the October presentation to the public for a nominal fee. The Cape Cod Quilters may also be interested and should be contacted. Please check out the work at joangaither.com

Agenda for September meeting: this monthly meeting agenda is a proposed schedule and open for discussion and change.

Highlight: Hank Martin Exhibit. Please check out the CCIAEA website for links/information.

Business: New CCIAEA Web Site Unveiling

Heads up: We'll be looking for help with Portfolio Day in October.

Member News: Jan Olson and Dan Springer are teaching courses at CCMA this fall. Jan's course focuses on Language and visual Arts and would be very beneficial to elementary school teachers. Dan Springer's "Portfolio Development" course will begin Sept. 20th and will meet three times before Portfolio Day- an asset to those enrolled in the class.
