

MEETING MINUTES - July 2010

The Advisory Board met and spent most of the meeting reviewing the web site. Our web master is updating monthly. Please check it out! It looks great. www.cciaea.com

Monthly Agendas are under discussion. Great suggestions are emerging. Your ideas matter so meeting format and topics are of value to YOU! There are a lot of contacts and interests out there. What's on your mind?

Note: Membership list will be updated in the fall. Those receiving this email will be listed as current members next web site update.

Respectfully submitted,
Lee
