

**The meeting time posted on our web site for our Jan meeting at BHS should say 4pm. Please note.**

Also,

if possible, **bring image files of your work that can be posted on our "Gallery" link.** We would like to post 1-2 images for each member as a start. Please note the title of the piece, the size and the medium. If you cannot get the files ready for the meeting, you may send the images and information along to me and I will forward them to the web master.

**Advisory Board would also appreciate your input.**
