

MEETING MINUTES - July 2010

The Advisory Board met and spent most of the meeting reviewing the web site. Our web master is updating monthly. Please check it out! It looks great. [www.cciaea.com](http://www.cciaea.com)

Monthly Agendas are under discussion. Great suggestions are emerging. Your ideas matter so meeting format and topics are of value to YOU! There are a lot of contacts and interests out there. What's on your mind?

Note: Membership list will be updated in the fall. Those receiving this email will be listed as current members next web site update.

Respectfully submitted,  
Lee
